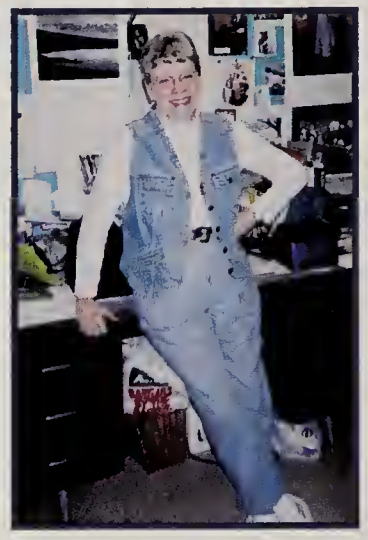
A dedication to a those who are

Dedication to Mrs. Coughlin

In and out of class, Mrs. Coughlin had a strong impact on her students. Her enthusiasm for science and education was evident through her energy, interest and dedication to teaching her students. Known for her legendary bridge projects, Mrs. Coughlin challenged her students by enhancing their knowledge and thought process. As an integral part of the science department, she was able to contribute both academically and socially to the climate in the high school. Always greeting students in the hall with a warm hello, Mrs. Coughlin's consistent support and care was evident. Holding high expectations for her students, she pushed her science classes to excel. Mrs. Coughlin had a truly positive effect on her students and will be greatly missed.

Dedication to Mrs. Bancroft



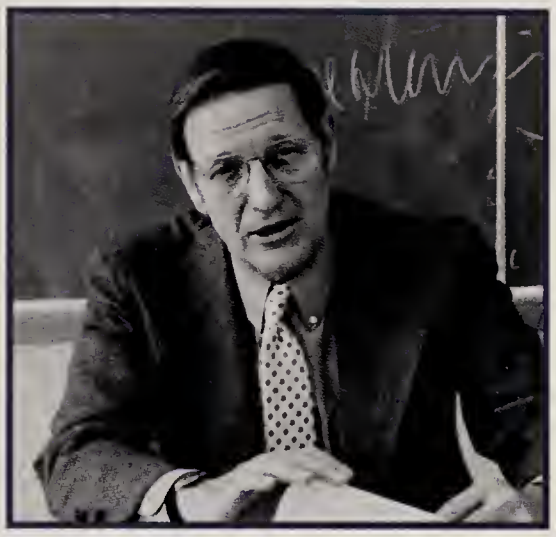
From photography to painting, sculpting to drawing, Mrs. Bancroft has displayed her abilities with flying colors. An integral part of the art department, Mrs. Bancroft has enlightened students with her magnetism, care, humor and guidance over the past thee decades. She has shown adept capabilities, not only as an artist, but also as a teacher, promoting creativity and imagination. Mrs. Bancroft has impacted every art student in a positive way, whether it be help with photography or constructive criticism for a painting. Her warmth, care and compassion towards others is evident through her dedication to the students and faculty of Weston High School. The walls will be lacking without her consistent and creative displays and support for student work. Mrs. Bancroft has undoubtedly left her mark.

more important than they know

Dedication to Mrs. Nickeson

Mrs. Nickeson has been both a cooking teacher and the yearbook advisor for over twenty years, but she has also been much more. When asked how he felt about Mrs. Nickeson, Dan Baumgarten, a student and friend said, "She's very nice, funny, warm, motivating, and has always been a good person to me." In very few words, he encapsulated much of what makes Mrs. Nickeson such an important member of the high school. She has an ability to reach out to students, promote confidence and creativity in the kitchen, and support each student as an individual, with interest and compassion towards his or her life outside of the classroom. Mrs. Nickeson has put great time and effort into each yearbook, showing her academic and creative talents. Weston will miss her humor, warmth and most of all, friendship.

Dedication to Mr. Walker



For over three decades, Mr. Walker has been a mentor, inspiration, support, and most of all, an amazing teacher. He has inspired learning in a unique way, creating a perfect balance of fun, friendship, guidance and respect. He has not only raised the skill levels of his students, but he has promoted personal and academic growth. Not only a teacher but a friend, Mr. Walker is a figure that students find familiar and comforting. As a leader in the English department, Mr. Walker has made a name for himself, through his infamous tests and papers as well as his noteworthy teaching style and personal magnetism. He truly is a veritable cornucopia of knowledge. Weston High School will be empty without the constant presence of such an amazing teacher and a friend.

Life isn't about keeping score. It's not about how many people call you and it's not about who you've dated, are dating, or haven't dated at all. It isn't about who you've kissed, what sport you play, or which guy or girl likes you. It's not about your shoes or your hair or the colour of your skin or where you live or go to school. In fact, it's not about money, clothes, or colleges that accept you or not. Life isn't about if you have lots of friends, or if you are alone, and it's not about how accepted or unaccepted you are. Life just isn't about that. But life is about who you love and who you hurt. It's about how you feel about yourself. It's about trust, happiness, and compassion. It's about sticking up for your friends and replacing inner hate with love. Life is about avoiding jealousy, overcoming ignorance, and building confidence. It's about what you say and what you mean. It's about seeing people for who they are and not what they have. Most of all, it is about choosing to touch someone else's in a way that could never have been achieved otherwise. These choices are what life's about.

There are those who pass like ships in the night. Who meet for a moment, then sail out of sight with never a backwards glance of regret; folks we know briefly, then never forget. Then there are friends who sail together through quiet waters and stormy weather helping each other through joy and through strife. And they are the kind who give meaning to life.

Je pense que cette annee fut probablement la meilleure annee de toute ma vie.
J'aimerai remercier les personnes qui font parties de l'association "Weston International Affiliation", pour m'avoir permis de passer une inoubliable annee.
Je remercie particulierement Emily Hutcheson et sa famille pour leur accueil, ainsi que toutes les autres familles avec qui j'ai vecu.Je remercie aussi Jean-Louis Pironio, qui a organise l'echange en France, et qui m'a ete d'un grand soutien.
Enfin je remercie mes parents sans qui je ne serai pas la aujourd'hui.
Et je remercie aussi mes amis de Weston qui ont ete super tout au long de l'annee.
Merci pour tout, ce fut merveilleux.

"Do you not know that in a race all the runners run, but only one gets the prize? Run in such a way as to get the prize. Everyone who competes in the games goes into strict training. They do it to get a crown that will not last forever. Therefore I do not run like a man running aimlessly; I do not fight like a man beating the air. No, I beat my body and make it my slave so that after I have preached to others, I myself will not be disqualified for the prize."
1 Corinthians 9:24-27

"Listen to the mustn'ts, child,

JUNIORS

"To accomplish great things, we must not only act, but also dream; not only plan, but also believe."

- Anatole France

The Junior Class Officers, Advisors & Parents: Secretary: Cathy Slaughter, SAC Rep: Becky Evans, Vice President: Colin Igoe, President: Adam Miller, Treasurer: Matt Dallos, Class Advisors and Parents: Mrs. Leblanc, Mrs. Gorman, Mr. Goldberg, (missing) Mrs. Anza and Mrs. Reynolds.

Our class had a lot of fun this year. The auction took tons of work, but it brought us all together and was a huge success. We are proud of our class for deciding to donate twenty percent of proceeds to charity and for the community service with the kindergartners and first graders that shortly followed. We were all very excited to bring the prom back to town. We would like to thank our class for a great year, and we look forward to our final year at Weston High School.

The Sophomore Class has managed quite a few accomplishments this year. At the very start of the year, we began with a Halloween Harbor Cruise, and eventually conducted a great Pot-Luck Dinner, the annual Sophomore Car Wash, and, of course, the Semi-Formal. By working together, we were also able to help with the Salvation Army Block Party in Waltham and still were able to hold onto our record breaking amount of bake sales. What a successful year!

Cross Country

We can go the distance!

In a sport where there is little recognition and the spectators are few, the boys' team ran to push their bodies to the limit and to perform well for one another. The physical demand that involves running 3.1 miles of trails and hills, is a pain that I cannot describe in words. However, when my boys stepped on the line with me to race, I could see the desire to succed in their eyes. It takes a special person to do what we do, and it takes a crazy person to love what we do. I am blessed to have been sent such a good group of crazy, and special runners. Congrats on a great season fellas. -Logan Jones

STAY WARM! Thomas Stuart and Elizabeth Charpie stay warm before their race, enjoying their close friendship formed by running together on the cross-country team.

ONE MILE TO GO. Emily Collinson and Elizabeth Charpie keep a good pace with each other as they continue through their long run.

"This year, the cross-country girls' team had a good season despite the loss of three top runners from last season. The girls finished with a 3-5 DCL record and placed seventh in the EMass Class D meet. Lisetta Shah and Christiana Glenn were key to the team's success. Veteran runners Catherine Riffin, Kristen Kelly, Elizabeth Charpie, Emily Collinson and Marga Hutcheson helped the team a lot. The team receieved a boost from new members Katie Lobel and Lane Marder. All of the runners showed significant improvement over the course of the season."

NORTH SECTIONAL CHAMPS! Sabrina Lazzari was so excited after the field hockey team won the North Sectional Championship of Massachusetts.

Field Hockey

We said it, and we meant it, and we're here to represent it!

Despite starting out the season with only two seniors and four returning starters, Weston Field Hockey had a spectacular and memorable season. With underclassmen also playing a huge role on the team, we managed to finish number one in the DCL with a record of 13-0-1. We were North Sectional Champions and made it to the Division One Final Four in Massachusetts.

We formed unforgettable friendships, and memories that will last forever. Martha's Vineyard, team sleepovers, team dinners, rock climbing, and tummy talks allowed us to form close bonds both on and off the field. Way to go girls, DO IT FOR SPANKY!!

HALFTIME TALK. A ritual at every game, the team meets inside the goal to dicuss the first half and suggest improvements for the remainder of play.

SCORE! Junior tri-captain Julie Lane sets up for a shot, as she is one of the leading scorers on this tournament bound team.

WE DID IT!! Julie Lane, Sabrina Lazzari, Sarah Kelly, and Andrea Posa rejoice after earning the title of Division 1 North Sectional Champions resulting from their win over Gloucester.

SENIOR LEADERSHIP. Sabrina Lazzari is wide open for a pass from her teammates to take yet another shot on goal.

STICKS DOWN! Everyone runs back to support their outstanding goalie, Brigid O'Mara. Her great saves throughout the season really helped the team achieve success.

SHOW YOUR STUFF. Colleen Ferguson and Cristina Sergi, two key defensive players, constantly amaze the opposing teams with their impressive stick skills.

Football

Back on our feet again....

In terms of the record, the Wildcats didn't look good, but looking beyond numbers, we grew so much from the previous year. The team stepped it up, and came ready to play, after coming off a 0-11 season last year. The Wildcats had solid leadership by the captains, Dustin Jansen, Troy Diggs, Omar Bell, and Rob LeBlanc. The team also had ten seniors, a record high in the past couple of years, which helped tremendously. A new head coach, Richard Brisette, headed the Cats as the fourth coach for the seniors. Coach Brisette was a huge addition immediately impacting our team. The number of points we scored in our first three games last year was almost tripled in our first three games this year! Coach also implemented a defense that let up fewer points all season than in our first five games last season. The team was extremely fortunate to have Caoch Brisette as head coach. The seniors finished up the season with a huge win against archrival Wayland, 21-14. Winning the Thanksgiving game gave us the first anual Turkey Day trophy, which will be held in the display case for years to come, during which the underclassmen will continue the streak of beating Wayland.

SAY CHEESE! A few members of the Weston High School football team relax after a big win and smile for the camera.

WHAT'S THE CALL? Omar Bell and Rob LeBlanc question the official over a call.

"Yeah, it was fun; but we could have been better. It was still a great experience."

LET'S GO! The Wildcat's football team huddles together, focused and determined to win.

LEFT 25...54...SET, HIKE! Only football players can really understand the complicated set plays, which simply look like a mess of players to spectators.

RUN IT! Troy Diggs races down the field with the ball, aided by Jason Cort.

SIDELINE HUMOR. There's always time for a quick laugh during a football timeout. The Cats laugh at Coach Brissette and their trainer, Andrew Rizza, after a witty joke.

PUMP IT UP! Marcus Barrow flexes his muscles after a game. His strength is a key element to the team's success this season.

FULL SWING. Brett Yogel poses for the photographers demonstrating his flawless form.

Golf

We got the swing of things...

The season overall was great. It was frustrating in the beginning because of several close losses, but we persevered. Co-captains, Dan Gollinger and Charlie Sahlman lead the team and acted as wonderful captains. The rest of the team, two additional seniors, three juniors and two sophmores were very productive during the season. The tournament went very well with everyone stepping up their game. We won the first trophy in golf team history and it was a great way to finish off the year. For the seniors that have been playing all four years, it was nice to finally reach the state finals. Next year the team will miss their two senior captains, who both showed strength over the years that they played.

PROPER STANCE. Nate Green gets ready for another great shot. He is an essential part of the golf team and will be greatly missed next season.

SENIORITY. These three seniors, Adam Wigetmam , Charlie Sahlman and Dan Gollinger have been key players to this team's success. They have all displayed leadership and devotion to each of their teammates.

Boys' Soccer

As cold as ice...

Though their record might not show it, the boys' soccer team had a fun-filled season. Here's what the captains have to say:

Jon- This season was all about having fun! Our record really didn't reflect our true ability to play the game. We may have lost most of our games, but we were never an easy win for our opponent.

Greg- Lead by our goalie, who through the course of the season earned the nickname "white lightning," the Wildcats were the team to beat!

Stu- This season was all about comraderie. We each brought our own unique skills to the team. We were as cold as ice, and willing to sacrifice!

QUICK FEET. Colin Igoe stood out this season as an essential part of the team.

Row 1: Coach Monny Cochran, Chuck Cormay, Paul Lewis, Chris Ecker, Jay Gillespie, John McCarthy, Amar Dixit, Jamie Bazaz. Row 2: Mina Ghaly, Josh Kraus, Mike Wertz, David Welch, Nick Cuneo, Alex Papageorge, Wells Rotnem, Eric Von der Heyde, Alex Pena, Ben Rodgers.

FIRST TO THE BALL! Oliver Strasenburgh displays a burst of energy as he races to the ball.

Girls' Soccer

A season to remember...

Girls' soccer began their season with soccer camp at Loomis Chaffee over the summer. We had to go through double sessions together and the friendship bonds were formed. We began preseason with hope that our young team, with only three seniors, would be able to surprise the DCL. Losing to AB, the number one team in the DCL, by only one goal, the girls' team was off to a strong start. We also managed to take the win over our rival, Wayland, in our first smash against them.

Though not all of our games ended in victory, game after game we would come out with a win in at least one of the halves. Through the leadership of the seniors, Maggie Jenks-Daly, Marissa Evans, and Laura Maruskin, the girls' team qualified for the State Tournement. This year was really about learning how to work as a whole, and trying to move forward after the loss of eleven seniors. Girls' soccer '01 succeeded in finding talent throughout the field, and win or lose, our team came out on top!

CHARGE! Laura Maruskin sprints after the ball, showing her speed as she races down the soccer field. As one of three captains, she was an essential part of the team this year.

KEEP IT UP GIRLS! Senior captains Laura Maruskin and Maggie Jenks-Daily lead the team in a warm up run around the field before a game.

GET BETTER SOON! Captain Marissa Evans and Lindsay Howard watch the team practice since they were both injured and were unable to play this season.

"Dancing at the 'Cookie Mart' was my favorite memory from the season. Despite hard losses, we grew really close."

Boys' Basketball

A team to remember...

We had a lot of ups and downs, but the season was a success. In the beginning we started off shaky, but by the end we had worked our way to a decent record. We had a lot of seniors to help out, but we also had a lot of underclassmen talent that supported the team all around.

-Noah Craigwell

With a whole new season, a new coach, and a new team, our team this year got out to a fresh start. It took a while to get used to the changes, but we preservered and were rewarded. Overall, the season was fun and a good way to finish off basketball here at Weston. As our class graduates, I know the team can count on underclassmen stepping up to lead the team next year.

-Nate Green

Girls Basketball

Always workng together.

"Recognize changes, not differences." ~Liz McCarthy

This season may have been a lot different than last year, but that is not what mattered. What did matter were the changes our team made this year. Each player brought something important to the team, whether it was an amazing three point shot or unbelievable enthusiasm. Combining each of our talents, we formed a strong team. We set goals for ourselves this year and we achieved a majority of them. Excellent defense and an unbreakable team bond were two things that will only improve year to year. Next season will be different than this season, but I have nothing but faith in the ten returning players to make changes that will make Weston Girls' Basketball even better!

Swimming

Reconstructing...Rebuilding...Retooling...Reloading

The Ride Tide started off this season a little aprehensive. After graduating fourteen seniors, and with only five senior boys and one senior girl to lead the team, most had placed Weston Swimming in the bottom of the ranks. However, both teams shocked the DCL with their determination and overall performance. From the beginning it was obvious that people were going to need to step up and depth was going to be key. Keeping this in mind, boys' tri-captains, Pat Crowley, Ethan Rothstein, and Chris Bazaz helped the team stay focused. Through a trying season for girls', captain Sabrina Lazzari provided great leadership and finished her four seasons with the GLOWS strong. Both the girls and boys teams held on to their DCL championships with the boys going on to win the state meet and the girls gaining a surprising second place. Both teams would not have accomplished what they did if not for the amazing coaching abilities of Folz, Valz, and Rick. We would also like to thank Brendan and Coach Benson for volunteering their time to the Tide. Good luck to both teams next year.

~Love The Seniors

Wrestling

Dedication, Determination, Discipline and Desire

The 2001-2001 season for the Weston Wrestling team was a season in which many records were broken. The team suffered only one dual meet loss to Wayland, and ended with a season record of 19-1. The Wildcats started off the season winning the King Philip Tournament and with increasing momentum won the Framingham Holiday Tournament. It was the first time ever, in more than 20 years of attendance, that Weston has ever won this prestigious tournament. In late January, Weston placed second at the Capital City Classic in Concord, NH. This was the highest Weston has ever placed in this difficult out-of-state tournament. To cap it off, the wrestling squad ended the regular season with an overwhelming first place finish at the Needham Tournament. After a strong season, Weston avenged its loss to Wayland by winning the Division Three North Sectional Championship. In the subsequent week in Division Three States, the team came in third place, again beating out rival Wayland.

-Stephen Wai and
Nick Botchan

"The Weston Wrestling team has the four D's in their hearts and they wrestled the whole year showing true dedication, determination, discipline and desire."

Track

Weston's unusally young track team showed significant improvement over the course of the season. The small group had a 2-8 record in the DCL and was led by captains Lisetta Shah and Colleen Ferguson. Shah was a major contributor in the long distance events. Ferguson was a major assist in the sprinting, middle distance events, and the long jump. Other major contributors in the distance events included Christiana Glenn and Catherine Riffen. Allison Ritter, who set the record in the 600, was a great addition to the team. The team also benefitted from the additions of Courtney Schopfer, who earned points in the sprinting events and high jump, and Kaitlin Machen, who led the scoring in sprinting events. Ali Boyle improved her hurdle performance greatly to be a major contributor. Even though the girls didn't have an outstanding win-loss record, coaches Bob Maguire, John Monz and Frank Kelley were very happy with the progress that the individual runners and the team made throughout the season.

MAKING A DIFFERENCE. Troy Diggs and Jon Fine have been a big part of the boys' team this year.

FOUR YEARS TOGETHER. Logan Jones and Coach McGuire have enjoyed working with one another during Logan's four years here at Weston.

ADVICE. Logan Jones is always open to the advice and ideas that his coaches have to give. That listening has formed him into the amazing runner that he is today.

CAPTAINS. Co-Captains Lisetta Shah andColleen Ferguson are dressed and ready to leave after a hard practice.

The Story of CLOSING US

"Success—to laugh often and much; to win the respect of intelligent people and the affection of children; to earn the appreciation of honest critics and endure the betrayal of false friends; to appreciate beauty; to find the best in others; to leave the world a bit better, whether by a healthy child, a garden patch, or a redeemed social condition; to know even one life has breathed easier because you lived. This is to have succeeded."

ADVERTISEMENTS

"You see, I'm one of those people who live sensibly and sanely hour after hour, day after day. Oh, I've had my moments, and if I had to do it over again, I'd have more of them. In fact, I'd try to have nothing else. Just moments, one after another instead of living so many years ahead of each day. If I had to live my life over, I would start barefoot earlier in the spring and stay that way later in the fall. I would go to more dances. I would ride more merry-go-rounds. I would pick more daisies."

SHELLY,

Yes, there is a definite theMe in these photos! Phone rules??? What is with the mismatched socks? How many times a year do we have to rearrange the furniture? What is under the mattress and who's are they? Winter is only 10 weeks long. "I don't waNt to talk about it." Contrary to your opinion shopping does not take practice, people of character do not break ruleS, they change them. Enough clothes in the back seat to qualify for a closet. You get what you give. Stay away from the lawn when you operate the clutch and, no, that is not a Chinese lantern by the Driveway. The only way you can catch a snowboard is to dive for it. You are NEVER having children? Mistakes and bad choices are distinctly different. Friends are everything. Who was that "illegal" passenger? "I'm fine." But really, my brother DID throw up all over my Math homework. Driving from the passenger's seat. The Grill Room again? Never Forget the sunsets. We will always be here for you, you are a piece of our heart and soul that time and distance will never divide. The plot thickens, have fun with the next chapter, there is nothing better than an unfinished story!

I can't believe you will be in college next year! What will I do without you? You are the greatest older sister and I really am happiest when I am with you. I love you more than you will ever know. All the memories: Gillford, Clayton, England, Scotland, Sweden, France, Cape Cod, Disney World, concerts, Ben Harper, DMB, Ani, boys, singing, timidity-that's Mom and Dad's fault!, being "healthy", coffee, LOTR(orli), our many fights, our many laughs...I will miss you so much next year. Never doubt yourself. I know you will succeed. Good luck and I love you!

Mag-I could fill pages trying to impress upon you what I think I have learned and what I want you to know, but I think I've spent enough time trying to make you realize things earlier than I did. To rehash memories here would resemble a 2nd attempt at a senior quote and I was not so successful the first time. Instead, I want you to know this: I am envious of your style, your work ethic, and your ability to shine. Over and beyond all of that, I consider myself so lucky to be your sister and your best friend. Most importantly, never hesitate to take advantage of everything you can do in the next 4 years. It passes by too quickly and before you know it, you will be a senior in college writing to Emma, who will be graduating from high school. I love you lots, no more than that, tons...but you already knew that. mwah, Sar

Maggie-For the past for years of your high school career, I've eaten breakfast,and dinner with you, I have gone to most every soccer and lacrosse game you have had. I have slept in the same house with you most every night and have put up with you every day, but the next few years it's gonna be different. Who's gonna eat breakfast and dinner with me, who's gonna be there when I need someone to talk to instead of mom and dad, who's gonna drive me to school every day and let me control the radio, who's gonna love and care for me the way you do? You were always there when I needed you. No matter how long I think about you leaving, I can't imagine a day without you. This past year you have been not only my sister, but my best friend. Maggie, Columbia is very lucky to have you. I Love You, Good Luck. Love Always, Emma

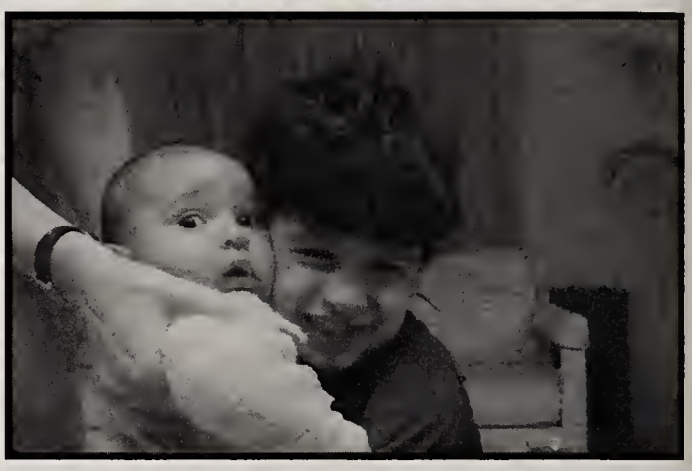
LAURA



There was a huge smile on my face when I first met you on the day you were born. And that was even before you were known as Princess Gooseberry, before we could share inside jokes (apples on dirty books), before you helped me steer clear of ugly Hawaiian shirts, and before you became a master impersonator (don't be...). Before you became my best friend, my confidante, and a wonderful young woman. Congratulations, Laura. You'll never stop making me smile. I love you. If you ever need anything, I'm just two T stops away.

Baseball

"Go Cats"

After losing only two seniors the year before, Weston's baseball team was looking forward to a much-improved season over last year's 4-16 mark. The problem was, they still had only four seniors on the team and once again the DCL wasn't expecting much from Weston in 2002.

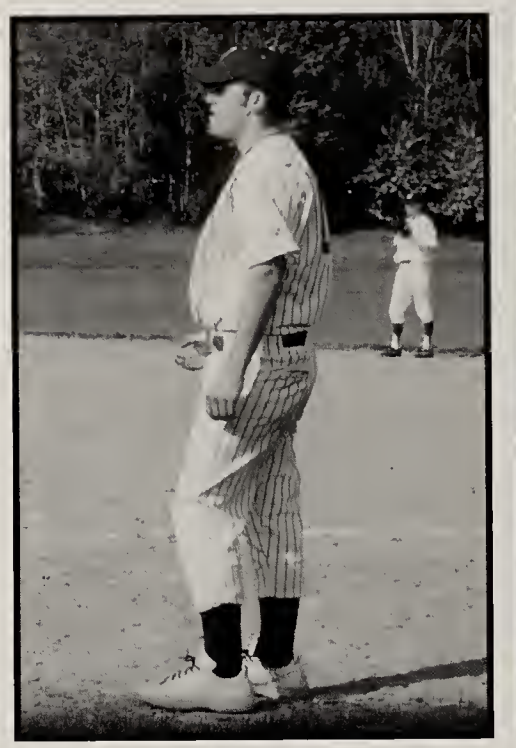
One good thing about having had a small number of upperclassmen during the last few years meant that the underclassmen had gotten a lot of experience early, giving them the opportunity to shine. That's exactly what happened too.

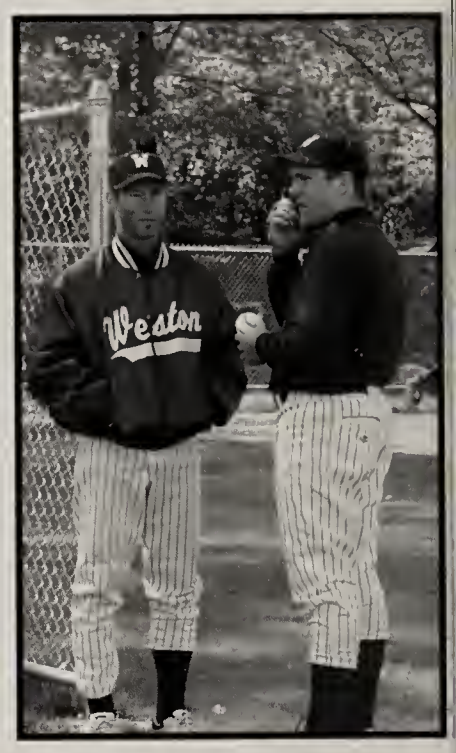
This season's lineup had one freshman, two sophomores, four juniors and two seniors starting. A young squad to say the least, but they sure didn't play like one. They clearly had some of the best defense in the league, and were able to come up with timely hitting and pitching when it counted.

The season record was 7-15, which didn't look like much of an improvement from last year, only three games better, in fact. But those three games were all DCL victories, wins which the team had none of last year. The Wildcats swept Westford Academy in their two meetings, proving that they were not the worst team in the DCL this year. The third DCL win, and probably biggest win of the season, came against Wayland, a 1-0 victory over our biggest rivals.

Another thing Weston did this year, that hasn't been done in over three years, was to make it to the Division Three tournament. They were able to beat Minuteman Tech in the first round, but then were knocked out by Bedford in the second game.

All in all, this season was a success any way you look at it, and next year's team is only looking to improve on what was done this year.





WILL STOP AT NOTHING. Although Duncan Carvey was unable to play this season he was glad to help out in anyway he could, as seen here coaching at first base.

NEW MANAGEMENT. This baseball season brought with it a change in coaching staff as well as a new found rivalry with Lincoln Sudbury.

READY TO RUN. Dustin Jansen gets a lead off first base in hopes of a big hit from his teammate or a chance to steal second.

Boys' Lacrosse

Poised for Next Season

The 2002 Boys' Lacrosse season was a great year for the program. Head Coach John Lewis returned after missing the end of last season due to illness, leading the Wildcats to the best record in team history, 13-6. With tri-captains, Omar Bell, Alex Horowitz and Jon Caldwell in control, the team started off well, going 3-0 after beating C-C for the first time since the program began.

One highlight came with a win at home, under the lights, against Wayland in overtime. This win solidified the team's spot in the tournament, where the Cats won against Walpole, but lost in the second round to Hopkington.

Major contributions during the year came from the captains, as well as senior goalie Tim Tran. He was supported by J.J. Hearty and Jared Lou on defense, as well as versatile Harry Berg. Colin Oberg and David Warren helped lead a young midfield group that supported a strong attack including Eric Butts and Jeff Margulies. The team has great potential and they are planning to use it during next year's season.

Girls' Lacrosse

A Season of Changes and Triumphs

The team had an up and down season with moments of both brilliance and defeat. But with the leadership of strong seniors, the team built everlasting friendships. Senior co-captains, Sabrina Lazzari and Maggie Jenks Daly, were joined by two other seniors, Cate Dwyer and Marissa Evans to form an aggressive attack. The defense was held together by seniors Lydia Knight and LauraMaruskin.Lauren Marder, who tore her ACL in our first game, helped from the sidelines.

The team was pleased to have defeated Wayland and A-B in goal-to-goal games. The team ended on an up note losing to L-S, the DCL champs, by only one goal; the score having been 5-3 Weston at half time. Virginia Brasco, the team's goalie, kept the team in many games.

The strong team play resulted in second team DCL All-Stars awards for Marissa Evans and Lizzy McCarthy. First team DCL All Stars were awarded to Michelle Archambault, Sabrina Lazzarri and Maggie Jenks Daly. Maggie also received the Boston Globe All Scholastic.

Overall, the 2002 Girls' Lacrosse team was pleased with their performance.

Spring Track

A Record-breaking Season

Though small, the Boys' Track team has always benefited from a core of dedicated athletes. This year was no exception. No fewer than two school records were shattered during the season. Senior Noah Craigwell competed in track for the first time this year and set a new school record in the high jump. Veteran senior Troy Diggs showed improvement in his event, the 100 meter sprint, in which he broke the school record with a time well under eleven seconds.

The team was not really large enough to compete well during the season, but it showed its abilities in the DCL and Class D meets, as well as Weston's own Twilight Invitational. Coaches Monz, Kelly, Sutherland and Westfall guided the team to its successes. They were in turn aided by the addition of Coach Metto, who undertook the task of strengthening the atheletes in the weight room.

Despite losing many valuable seniors next year, WHS Boys' Track looks poised for another record-setting season. Capable juniors, sophomores, and freshmen have shown their talents on the track and field and are eager to improve upon their already extraordinary accomplishments.

The Girls' Track team put forth many strong efforts this season. The underclass-heavy squad finished the regular season with a 3-5 win/loss record.

The season included many standout performances, including Samantha Shepard's ('02) record-breaking pole vault and Kaitlin Machen's ('04) record-breaking 200. Alison Ritter ('05) was an incredible asset to the team as a long and middle distance runner. Other strong contributers included long and middle distance runners Lisetta Shah ('02), Christiana Glenn ('04), Lisa Orth ('05), Carla Castellucci ('04), Catherine Riffin ('04), and Katie Lobel ('02). Courtney Schopfer ('05) and Stephanie Bazile ('05) provided the team with strength in the sprinting events. Hurdlers Anna Spencer ('03), Ali Boyle ('03), and Tiffany Chan ('03) were other crucial components of the team. Maureen O'Brien ('03) was a key member of the team as the main throwing events competitor.

With many young atheletes, the track team anticipates a bright future over the next few years.

Boys' Tennis

A Rebuilding Year

This year was a rebuilding year for Boys' Tennis. After losing key players last year, the team had to restructure its lineup with the help of some new names.

Co-captains Charlie Sahlman and Pat Crowley led the team to an 0-16 season, but the record does not reflect the true skill of the team. A few of the matches were lost by the margin of one game.

Freshman Mike Liebert took over the number one spot and showed tremendous talent. Other newcomers to the varsity squad were Ben Fox, Ryan Marrow, and Josh Kraus.

Although the team wasn't bringing home the wins, Coach Koekkoek kept encouraging the team to fight.

The season might have ended 0-16 but Boys' Tennis has incredible talent coming. Mike, Ben, Ryan, and Josh will look to return next year and lead the team to a winning season.

GAME, SET, MATCH. Ben Pannell stations himself in front of the net an prepares for one last beat down on his opponent.

ALWAYS ON HER TOES. Samantha Chen is always ready for whatever her opponent may throw, or rather volley, at her.

SUCCESSFUL FUTURES. Marissa Levy and Steph Shaer are sure to be a crucial part of next year's team if Girls' Tennis wishes to qualify for the State Tournament again.

"This year was especially fun. The reason that we got to States and had such an improvement over last year, was because of the closeness of the team and the hard work we put in."

- Gayatri Datar

SENIOR STARDOM. Captains Kate Berman and Meghan McCarthy showed great leadership this season. Their dedication and devotion will certainly be missed next year.

A TENTATIVE FOREHAND. Jennifer Sacks keeps her eye on the ball, unsure of whether it will follow the designated path and reach its intended target.

A HELPFUL ADDITION. Maria Uribe was a great addition to this year's team. Her fast feet and quick skills helped her win many matches and aided the team into the tournament.

Girls' Tennis

Great Improvement

The Girls' Tennis team had a season of breakthroughs and triumphs. With a new found solidity and incredible consistency, the team saw five wins, and a match in the state tournament. These successes were motivating to a team which had previously seen two wins a season at most.

The team was fortunate to receive the talent of first singles player Maria Uribe, who moved from Columbia this winter. Seniors Kate Berman and Meghan McCarthy led the team with solid doubles play and optimistic attitudes. Numerous other players stepped up, allowing the girls to qualify for the tournament, a feat not accomplished for many years.

There also seem to be many promising J.V. players and we look forward to a promising and successful future for the Girls' Tennis team.

Softball

Moving up the Ranks

Three short years ago, the crack of a bat at Weston High School was attributed only to baseball, but in the past two years that has all changed. In its second year of existence, the Girls' Softball team blew its opponents out of the water!

The small team of thirteen ladies walked off the field with eleven incredible wins and four losses as well as countless memories.

Who could forget Mere's WWF tag outs, and Andrea's and Katie's showing off of "All Scholastic" skills. From getting ready to STRIKE, and boy talks in the back of the bus, not to mention Rhi getting hit with practically every pitch thrown with her at bat.

All in all, the team really pulled it off this year when no one was expecting this magnitude of success.

So good job ladies...1,2,3, CATS!

YOU'RE OUT OF THERE. Jessica Chin catches the ball for the last out of the inning, sending the Wildcats up to bat.

UNSTOPPABLE. Much of Girls' Softball's success was due to pitcher Andrea Posa, who could always be depended upon on the mound.

MOVING ON UP. Rhianon Liu, Ande Reisman, Jill Asher, Joleane Anza and Andrea Posa are proud of how far Girls' Softball has come; changing for a club to a junior varsity sport in only a year.

SWING BATTER BATTER. Ande Reisman winds up with a big swing for a hard hit in hopes of keeping her team in the lead.

HOMERUN. Katie Poutsiaka receives a high-five from teammate Elizabeth Elfman after hitting a grand slam and scoring a run.
